God's just trying not to feel
alone in nothingness.

I am not a vessel for

-Tongues and Teeth, The Crane Wives

“I haven’t thought of it that way at all.”

“What?”

“I just...” I can see the muscles in her neck stand out, and she turns as if, for once, eye contact is as hard for her as it is for me. “I hadn’t thought about being something other than a father.”

The Whole Romantic Speech but especially: Ever so slightly, so that she barely noticed, I talked a little louder. I picked up the pace. The letters would be proper, I said, like sailors used to write their beloveds from the sea. I'd weather storms and gales to return to her, my soul, my only. I was finding a rhythm now, and Liv listened, rapt. I paused, a key change, and spoke again, this time a little zany. I'd pitch a tent, I said.

EVELYN Out of all of the places I could be, why would I want to be here with you? You are right. It doesn't make sense.

WAYMOND Evelyn,別說了。夠了。

JOY Let her finish.

EVELYN Maybe it's like you said, maybe there is something out there, some new discovery that'll make us feel like even smaller pieces of shit. Something that explains why even after seeing everything, and giving up, you still went looking for me through all of this noise. And why no matter what, I still want to be here with you. I will always want to be here with you.

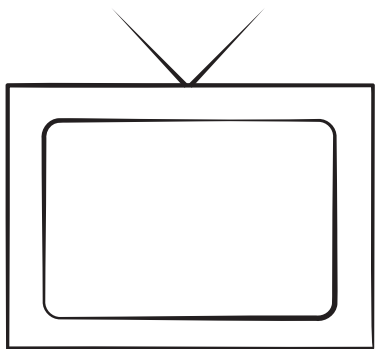

-Everything Everywhere All At Once

RIO

Wherever you go from here, you have to promise to take care of that little boy for me. Make sure he never forgets where he came from. And he never doubts that he's loved. And he never lets anyone tell him that he doesn't belong there. You got to promise, Miles.

-Across the Spiderverse

Lewis Figun Westbrook is a queer artist who wants their bio to be some kind of joke. A writer of too many genres and artist of too many things.
